

Maths

We will learn to...

- Subtract numbers up to 6 digits using a variety of methods.
- Multiplying and dividing numbers using a variety of methods.
- Square and cube numbers.

PSHE

This term we are focusing on Healthy Relationships.

We will be discussing:

- What healthy relationships are.
- How to make and maintain healthy relationships.
- What to do when relationships breakdown.

Learning about, and from Religion

We will be learning...

- What would Jesus do?
- Looking at forgiveness, justice, and Jesus's parables.

...about the links between religion and community

English

This term we will be focusing on two texts 'Mr Stink' and 'Ashfall'. Mr Stink is relating to our PSHE theme of community. Ashfall is relating to our Geography theme of Natural Disasters.

In English this term, we will be learning to write a:

- Newspaper report
- Persuasive argument
- Setting description

Year 5

Class 5EP and 5RAR
Our topic: Community

Design and Technology

We will be:

- Focusing on cooking nutritional meals
- Using the allotment vegetables to cook a seasonal soup
- Relating our cooking to Science with a focus of reversible and irreversible changes.

Physical Development

Please can you remember to bring a labelled P.E kit

This term in P.E. we will be doing gymnastics.

P.E. will be on a Tuesday.

Children in year 5 will also be going to swimming every Thursday PM. Please send your child with a labelled swimming kit.

Science and Geography

In Geography we will be learning about:

- Natural disasters
- Tectonic plates and plate boundaries
- Volcanos and Earthquakes

In Science we will be exploring:

- Gravity and forces
- Air/water resistance/ friction
- Levers, pulleys and gears
- Changing materials

Homework books-learning together at home

Your child will be sent home a new list of spelling words to learn every week, as well as reading and times table homework.

Children are also being encouraged to read regularly and record this in their reading records.
