

Physical Development

P.E will be on a Friday

We will be learning to:

- Use small and large equipment appropriately and safely.
- Use the indoor and outdoor environment to run, climb and handle small and large tools and equipment.
- Support our independence with hygiene routines and self-care.

Communication and Language

We will be singing nursery rhymes and reading stories together daily.

- We will listen out for sounds around us and talk about the sounds that we hear.
- Learn and understand simple sentences and simple questions.
- Use our developing language to share our feelings, experiences and thoughts.

Personal, Social and Emotional Development

We will be learning to:

- Transition into school and explore our new environment.
- Play cooperatively and share experiences with our friends and new adults.
- Express our preferences and interests.
- Express our own feelings and become aware of the feelings of others.

Autumn term 1

Class F1

Mrs McAtee, Miss Weston & Mr Collins

Our Autumn 1 topic will be...

'Feelings, friends and family'

Literacy

Writing:

We will experiment with a variety of mark making tools such as paint brushes, pencils, pens, chalk and more! We will be talking about all the different drawings and marks that we make in the indoor and outdoor environment. Please come and look at our fantastic 'mark – making' displayed all around the classroom.

We will also be learning to recognise our name.

Phonics – Phase 1

We will be using our ears to listen to a variety of environmental sounds. We will learn new and exciting songs each week with actions to develop our language and vocabulary.

Learning together at home

Your child will be encouraged to share their learning with you at home. You can view your child's Learning Journey online through Tapestry to see all the things we have been doing! Please use this tool to share any exciting learning your child has done at home. Continue to read with your child every day and complete the weekly homework.

Understanding the World

We will be learning to:

- Talk about our families, people and things that are important to us.
- Learn that we all have similarities and differences.
- Explore and investigate our environment.

Numeracy

We will be learning to:

- Organise and categorise by using a collection of objects to sort and match in various ways.
- Select a small number of objects from a group, understanding about change in quantity.
- Use different sized shapes and containers to allow us to fill, pour and empty.
- Develop understanding of simple concepts.

Expressive Arts and Design

We will be learning to:

- Explore a range of media and materials by adding and mixing... observe change and talk about the changes we see.
- Create sounds with musical instruments. Sing songs.
- Beginning to make-believe by pretending.

Computing

We will be learning to:

- Learn basic skills in turning on and operating some ICT equipment.
- Explore technology around us.
