Braunstone Community Primary School Update 4-5-2020

Dear parent/carer,

I hope that this letter finds you and your families safe and well.

Firstly, can I state how proud I am of you and your children for the way so many of you have embraced the online learning. We know it has not been easy for you all but you have done a fabulous job making sure your children have been able to access the resources for learning that our brilliant teachers have been providing.

You have been the true embodiment of our vision:

Belong 🏠 Care ❤️ Persevere 🦋 Succeed 🏆

It has been so heartwarming receiving your messages of support and thanks to the school. You have been so understanding and patient with the school whilst it reacts to the guidance from the Government (which is updated so frequently). Thank you.

We will continue to support your children, you and the community with everything we have. The teachers and the senior leadership team have been very impressed with the level of the work being done at home by your children. The engagement of all of the online platforms (Century AI, Teams, Class Dojo and Tapestry) has been phenomenal – Keep up the good work and look out for the celebration videos and mentions that the teachers put out each week.

For those of you that have had some difficulties with the online learning please mention it to your child's class teacher when they call you or you can contact the school. We will do everything we possibly can to support you in accessing the activities set by your child's class teacher.

I also attach the link below which takes you to the latest government guidance (1/5/2020) for parents and carers about schools during the Coronavirus outbreak.

<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/closure-of-educational-settings-information-for-parents-and-carers>

As soon as we know more about opening arrangements, we will let you know.

Take care and stay safe.

Yours sincerely
Mr Tamgumus
Headteacher
