

Year 1 Daily Timetable for Home Learning

Session	Subject	Notes
1	Phonics	Watch the daily video with your child, pause it at relevant points if they need time to practice the sound. When reading the words please encourage your child to look for special friends, Fred talk and then read the word. When writing the words please encourage your child to <i>say the word, pinch the word and then write the word.</i>
2	Writing	There will be a daily video or task set by Miss Jeffery all about our new story Zog. This term we will be looking at writing some amazing sentences!
3	Maths	There will be a daily video uploaded by Miss Yusuf explaining the learning and the work we want you to do and then we will set a task for you to complete.
4	Reading planets	We will set 2 reading books, at your child's level, every week for your child to read. It is vital that the children read daily, they have been working really hard to improve their reading levels this term, we don't want to let it slip! Please let us know if you think they need to move up a level and we can set higher books. https://www.risingstars-uk.com/login
5	Numbots	For extra maths practice visit numbots using the link on the school website homepage. The children are all familiar with this as we have been using this at school. To access the game: https://play.numbots.com/#/intro click the green arrow – schools – pupils – type BCPS (this is our school's name) – log in using the log ins given – have fun playing!
6	Story Time	Every day there will be a story read by Miss C for the children to listen to and enjoy in the afternoon 😊
