

Physical Development

Please can you remember to bring a labelled P.E kit

This term in P.E. we will be focusing on athletics and yoga.

P.E. will be on Wednesday (outdoor) and Friday (indoor).

Children are reminded to come in their P.E. kit on these days or comfortable footwear.

English

This term we will be focusing on the text 'The Explorer' by Katherine Rundel.

We will be writing two pieces of text this term: Persuasive argument and a newspaper report. Here we will recap and apply all the writing skills we have learnt so far.

We will also have a cross curricular piece of writing in the form of a non-chronological report.

Homework books-learning together at home

Your child will be sent home a new list of spelling words to learn every week, as well as reading and times table homework.

Homework will be uploaded onto Century and Teams to access – homework will be uploaded every Friday and should be completed by the following Wednesday.

Personal, Social and Emotional Development

We will...

- Be looking at Protective Behaviours.
- Keeping and feeling safe.
- Learning how to keep ourselves safe.
- Learning how to recognise our personal warning signs.

Year 5

Class 5EP and 5RAR/AP
Mrs Abdul Reman, Miss Patel,
Mrs Patel

Our topic: Rainforests/living things and animals

Maths

We will learn to...

- Recognise fractions of amounts.
- Recognise fractions of shapes
- Understand and find equivalent fractions
- Add fractions
- Multiply fractions.

Computing

We will:

- Be learning how to type and save work on a word document.
- Learning how to create a PowerPoint to present our research and ideas.

Expressive Arts and Design

We will be taking part in an exciting art project.

- Each week we explore and develop art skills
- Explore working with a range of materials and apply our skills to create a piece of art work based on the rainforest.

Geography and Science

In geography we will be learning:

- About the rainforest.
- What the equator is and about climate change.
- What deforestation is and it's impact on the environment and humans

In science we will be learning:

- About living things, animals, and habitats.
- About the life cycles of different animals
