

English

This term in English, we shall be writing an explanation of how and why the Ancient Egyptians built the pyramids and what they have taught us. We will also be writing an explanation of the mummification process. This will then lead into a diary entry from the perspective of a 'mummifier' from Ancient Egypt and will detail a day in the life of one of these fascinating people.

Maths

This term in maths, we shall be recapping percentages before moving on to learn about adding and subtracting decimals. This will lead into multiplying and dividing decimals. After this, we shall be moving onto finding area and perimeter of shapes.

PE

We will be learning how to play Tennis and we are very lucky that we will be having football coaching sessions from one of our LCFC community coaches!

Our Topic: Egyptians

PSHE

We will be learning about living in the wider world and how we can contribute to the world we live in. This includes sustainability, money matters and job and career aspirations.

Art

Art lessons will be taught remotely by a specialist teacher and we will build our different art skills to create a final outcome.

Computing

We will be learning about Vector drawings and how we can use digital devices to produce images. We will also be learning how we can manage our online reputation!

Reading

We shall continue to teach reading with the whole class. Our texts will be linked to our topic, which is the Egyptians and will include non-chronological reports, web pages and newspaper reports!

Children must continue to read every day.

If a child learns to read, they will have the keys to learn!

Extra Curricular

We shall be having a visit from the "Get the Specialists!" history team who will be delivering an Egyptians day in school!

Spanish

We will be exploring the Spanish language and learning greetings in Spanish.

History

In History, we shall be learning about the Ancient Egyptians. We will be exploring where they fit on a timeline of history and looking in detail at how, why and when the pyramids were built and we will also look at how Pharaohs were mummified and preserved!
